Megan René Conner gained her angel wings on Tuesday, November 30, 2021.

Megan was born on November 29, 1988 in Salem, Virginia. Megan has been described by family and friends as a beautiful Angel on Earth, great friend, wonderful aunt and sister, reliable and capable co-worker, and so many more amazing attributes. Her smile, laughter and goofiness lit up any room. Megan never met a stranger and everyone that knew her loved her so much.

Megan is survived by her parents which she adored, Steve and Tammy Conner and Steve and Angie Webb. She had very loving grandparents, Fred and Janice Conner, Freddie and Freeda Harris, Ernie and Zenna Webb, and Margie McCracken. Megan is also survived by her special great-grandmother, Sylvia Goad. Her loving siblings include Morgan and Evan Phillips, Maggie Webb, Stephen "Kooter" Conner and Macy Webb. Megan is also survived by the little loves of her life, her nieces and nephew, Avri, Brylee and Camden Phillips and her special doggie companion, Josie. Left behind to remember her are many special aunts and uncles, relatives, and many, many friends.

A celebration of life will be held on Saturday December 11, 2021 at Gardner's Funeral Home in Floyd, Virginia with Pastor Mike Varner, and Stephen "Kooter" Conner officiating.

The family will hold a visitation beginning at 12:30 pm with the service to follow at 4 pm.

A register book will be available to sign locally from 8:30 a.m. until 5:00 p.m. Monday, December 6, 2021 through Friday, December 10, 2021 at Finch and Finch Funeral and Cremation Service, Altavista.

“ *Conner family,  
My prayers and condolences go out to you. Megan handled my father and mother's funerals recently and was a true blessing. She was professional, knowledgeable and helpful, but more importantly, she had a heart for what she did. She was thoughtful and kind, checking on me and my family after the funerals and was very sweet. May God bless you and give you peace and comfort during this difficult time.*

“ Megan was so wonderful to work with and as a minister communication is especially important in the preparation for a funeral service. Megan was excellent in communicating with me and helped to make the process less stressful. She quickly became a friend to those she worked with along the way, and I was blessed to count her as one of my friends. I was shocked and saddened to learn of her passing and pray for peace and comfort for her Conner family as well as her Finch and Finch family.

“ I could write a book on Megan... but it wouldn't be readable because my tears be them of joy and grief are so overwhelming and would smear all the ink on the pages. I will forever miss her Floyd county accent and her willingness to be there when you needed her. I've had numerous coworkers but none that I worked so closely with on a daily basis helping others through the undoubtedly toughest moments of their life. I pray for comfort for everyone who ever had the pleasure to meet her because life without her will be a constant exercise on finding comfort in a world that won't be the same without Megan.
