“ I remember Mike from work at Ingersoll-Rand's Roanoke division many years ago. Over the 11 years I was at the division, Mike was invariably kind and every interaction was a positive one. I am sorry to hear about his passing and pray for Kay and the rest of his loved ones at this time of loss.

“ Mike was a vital member of the Fincastle United Methodist family. The smile in the picture is the one you invariably got from Mike. Smiling, friendly, helpful and a joy to work with and be around. His work with the young men of the DeMolay Chapter will live on and help make the world a better place

“ Karen and Chris,

As the local (and only) Catholic pastor in Botetourt County, for the last 11 years I have been asked to come to FUMC to take a Wednesday each Lent to share a reflection at one of the lunchtime devotionals. Not too far back I met Mike at one of them and we had a chance to chat. His kind words, manner and honesty touched me. At a funeral I had here on Monday, a couple from FUMC attended and afterwards they mentioned Michael's health situation and asked me to pray for him. Later that afternoon I went to RMH to visit a parishioner. When I was finished I decided to see if I could visit Michael. Sadly, I learned he had just passed early that day. I am so very sorry for your loss.

I also met Chris during one of our shared Vacation Bible Schools. He was the dutiful photographer and was very kind and helpful during the time Dr. Choi was pastor. I know his dear Dad was extremely proud of Chris.

Please know we will remember Michael at our Christmas Masses. Our two churches share a bond going back to the time you all welcomed the fledgling Catholic Community to gather at your church for worship before we had our own.

May Mike's soul rest in peace. May the God of all consolation be with you now and always.
