“ Mike lived life to the fullest, oh boy did he! My nickname for Mike was Joe, taken from Muhammed Ali's nemesis "Smokin'" Joe Frazier. Mike called me baby boy, originating from what a Bohemian solicitor called me back in the day. We had loads of fun ribbing each other over the years and I will sorely miss this. Many adjectives/words describe Mike's life on this Earth. Loyal, friendly, analytical, funny and soft hearted to name a few. He was simply a great guy. Johnna and I extend our heartfelt condolences to Rita, Scott and family. I'll miss you Joe. Love ya man.

“ Mike never meet a stranger. His laugh and loud personality was all energy - he and I had some of the best laughs in HS math class especially about history class. Who recalls dead-eye Dodson? Every time I ran into him he was grinning ear to ear! Mike had a great heart and really cared for people. Work got in his way of enjoying life more. Like us all. It was a pleasure knowing Mike. RIP ole friend.
