“Michael always brought a smile to David's and my face! He always had some kind of story to tell. Even as a very young kid, he was always so respectful and kind to us. As much as we thought of him, those feelings were amplified just seeing the relationship he and Jackson had. I always dreamed of a house full of kids. I loved having the boys over...hearing them laugh, pick on each other, and eat! Michael was always there. We loved it when he went on vacations with us! Lots of laughs! I'm sharing some of my favorite pictures of these times.

Wendy, Dave, and family...our hearts break for you. We cannot begin to understand why this happened, but what we do know is that God is there for you all. Lean on him for his comfort and love. We are here for you. Please, let us know if you ever need anything!
