“ Edith and Walter, I am so sorry for your loss of your precious son. I can't say that I know how you feel because I know that no one can ever know the sorrow and heartache of losing a child. I am so thankful to have known Michael when he was a child in Gladys Elementary School and to have known you both as well. I am thinking of you at your time of loss and sorrow.

“ *Kelly,
We would like to express our sorrow to you, the children and Mike's Family for the loss of Mike. We remember how Mike and the Children enjoyed their fun at Wayne's Holiday pool parties. He was a lot of fun.*

It is good to have memories to think upon and I just remember you, Mike and the children, being there and how much we all enjoyed being together at those special times. We send Prayers and our thoughts to all of you at this sad time. May God send His Love and comfort to you all in the coming days.

“ I remember Michael as a young fellow who would come down with his brother to see his father Walter, who worked at Frank’s. My father worked there for years and I was always around and got to know to some degree most of the children who’s father worked. I remember on many occasions seeing the boys fishing in the pond behind the shop.

Those days are long gone, but never to be forgotten.

Walter, my heart feels your loss. Our best wishes go out to you at the time.
