“ I so well remember Montel coming to Gretna High School the fall of 1963 so she would be more prepared when Renan, Climax and Gretna consolidated in the 1964-5 school year. She was always so kind and such a sweet friend. Then we both journeyed to Radford College and studied home economics. Once we came back to the county to teach, she quickly found her place with special needs children. Her love for Christ was a shining light for many that she worked with in Pittsylvania County Schools. Love and comfort to the family in their loss.
