“ I have always called Nellie my second mother. She kept me while my parents worked. She taught me many things. Today I still use her rules on condiments. Toasted bread mustard non toasted bread mayo. And never mixed mustard and ketchup. Being a shy child she taught me to take up for myself . I will always remember her telling me to bite Wally back. she made the best porky cops & fried chicken. she is dear to my heart Whom I miss greatly and will never forget! She helped make me the person I am today. Love Kelly Lee

“ *Nellie was a Granny to our daughter (Kelly) for the first eight years of her life. She was a loving wonderful addition to our family. I had no worries about Kelly as I worked for Nellie truly loved her as much as we did. Even when Nellie went to work making girls clothing she would gift Kelly with beautiful clothing she had made. My Mom also had alzthemers and it take our loved ones away even bebfore their daeath, My heart goes our to Walter. Heaven had added a true earthly angle and we will see her again.
