“ *Bob, you know how much we loved Nora and I looked forward to talking to her each day. We would talk about our aches and pains and brag about our kids during our conversations. She will always have a special place in my heart because she was there for Andy and me, when Mama couldn't be there. Now, she is in heaven with her sisters and brothers and Granny Doss and what a reunion that will be! Praying for all of you each day and know we love you very much.*

“ Bob and family, I know ya'll know how sad it makes Jolynn and me to hear of Nora's passing. We can all be comforted though because we know she is home now where there is no pain, no suffering, no tears, and she is with our Lord and Savior Jesus Christ! So sorry we can't make it to the funeral but we will be there in spirit. I remember how you and your family were there for me when Anne died and you will never know how much that meant to me. Praying for comfort and peace for ya'll that only our Lord can give. Please call me anytime and know that ya'll are loved.

“ Sincere Sympathy and Prayers for the family. I can't remember why but for many years she was known to me as Aunt Hona. Not sure how that came about , but sure sticks in my memory when I was a youngster. She was such a devoted Wife , Mom, and Church member, not to mention a well loved aunt. She will be truly missed but will be smiling as she gets to see her loved ones again, that preceded her in earthly life.
