“ Oscar was a good man. He and my Dad worked together at Klopman so I got to know him before he became my supervisor also when I went to work there. He was my boss but also a friend. I remember the times that he would bring a vehicle over to my Dad's shop and we would all work on it. My condolences to Rhonda, Howard, and family.

“ Monroe was my maintenance Supervisor at Burlington for ten years, he was a good man to work for. No matter the task I was given , he would always ask “Are u finished yet?”He would grin and I wud say a few choice words and smile. I stopped by one month ago to see Monroe , I enjoyed my visit . I am sad to see Monroe cross the finish line. I left on my 57 Chevy and he was waving and smiling as I pulled out into the road. Prayers to this Gentlemen’s family.
