“ My thoughts and prayers are with you all. I'm very sorry for your loss. I didn't know Ottie personally, however I have heard nothing but amazing things about him from Sheriff Johnson and sooooo many others. Even though I didn't I did have great respect for him and the fact that he was a very loved Sheriff and person. Rest Well Ottie, be at peace now and forever 💙

“ *Mr. Moore was one of the finest people I've ever known. When he was sheriff he had an open door & you knew if you needed help he would do whatever he could to help you. He was honest & you could trust whatever he said to be the truth. We are keeping the family in prayer. We know he will be missed. God bless

“ *I'm so sorry to read of Ottie's passing. My Mother grew up with him, as they only lived about a mile apart. I came to know Ottie through my husband, Gene, who was the Sheriff in Appomattox County. We would always see him at the Sheriff's conventions. During conversations, he always inquired about the "folks" he remembered from the Gladys area. He always considered that "home". My condolences to his family. He was a really kind person and what I considered a true Southern Gentleman. May God bless you as you grieve your loss.*
