“ It has taken me some time to get on here because I really didn't know what to say about my aunt Patricia. What I can tell you is that she had a heart of gold. She would go without so others could prosper. Would give you the shirt off her back or the only dollar she had. She valued time with family and friends. She loved animals. I dont know how many dogs or cats she picked up off the side of the road, gave them food, water and a place to live. Anyone who knew her knew that she loved to cook and was a great one at that. Not having her here is hard for us but I will always remember the gut busting laughs, weekends spent fishing, floating and cookouts. Trisha, you are already missed beyond belief. Hopefully you have joined Rex who we lost not too long ago. Forever in our hearts, thoughts and prayers. Loved by Heath, Jessica, Matthew and Madyson

“ You maybe gone from our sights but will never leave our hearts , I can remember you as a younger cousin and how you and your sisters Debbie and Jean would always be there playing in your mom and dads yard , what got me was how you would never wore shoes ,you just never liked them , I remember you out at the swing playing in the snow and no shoes on and when i tried it , well i could see my feet just wasn't trained for it , I remember cracking walnuts at the old tree at the bottom of hill from from Grandma's and Grand pop's house was wear the swig hung in with you and picking black berries and just playing in the creek , as we grew we all just kinda parted ways , then after i got out the Army I started coming down to the family home to go hunting with Uncle Willard and it seemed like a family reunion , you were always there including a lot of other cousins , Uncles and Aunts, I loved coming down so much I purchased a little place right behind you , and you always made it over to say hi,no matter what may been bothering me you always lent an ear for me , i spoke to you from a text just a little over a week ago and asked how you doing and feeling and you told me fine , but as I sit here writing this I know you just didn't want me to worry , you will always be in my and my family's heart, thoughts and prayers,
Love your Cousin Bobby
