“ I’m so sorry to hear about Pat. She was a wonderful person — strong, smart, dedicated and authentic. I was so happy to reconnect with her via Facebook and am grateful to have known her. My thoughts are with you. Cornelia Fortier

“ To the Family of Pat.....Your Mom i met through rescue up here on Long Island. We stayed connected when she moved down to virginia. But she was one of the most Inspirational people I knew. I remember when she had a dog she was fostering, Godiva (she changed the name i think) She worked with her and never gave up. I remember Her Hungarian Chickens (LOL), of course her multiple cats and her horse. Pat was firm, but patient person with the animals. She is missed.....but forever in hearts and minds of all whom she touched. Rest now Pat and enjoy the Bridge.....

“ Dear Family of Pat, Your mother was and is a beautiful person. I am the grandmother of "Paddington" and that is how I met your mother. We were introduced thru Carolyn Hall and with our mutual love of animals we had a lot in common. When "Paddington" and his two sisters, "Lacey" & "Laurel" were hatched I needed to find a home for the baby rooster and your mom loved him and took him in. I am glad to hear that he and his girls have gone to a good home. Your mother's loving heart will live on in each of you and will be a blessing to those around you. Love, Dee Dee Smoot

Dear Dee Dee,

Thank you for reaching out at this difficult time. My mom loved Paddington and the gang! We all grew to love them too on our visits. We are so happy that they found such a wonderful home. My mom was comforted by that. Thank you for sharing and for your kind words. We truly appreciate your support.

Regards,
Pat's Children
