“ *Jeanne, My very good memories of your mom started when you were in 3rd grade. She was such a good helper! After she got a job at school it was fun to stack up all that stuff she copied for us and listen to her fuss while I fled out the door. I loved her anyway. Band Boosters was so much fun for the parents! I was Momma Emmett and Danny was Poppa Emmett. We liked our nicknames. Love to you all. Dianne Emmett*
