“ *I miss my best friend. Every second of every day. Your comfort. Your unconditional love. Your hugs. Your smell. Your tea. YOU! See you when I get there! Until then, I will miss you every second of my days. I love you mom*

“ I come here sometimes, mom, because this is where I feel closest to you. Maybe because it's here that was the last time I got to see your beautiful face. I know your looking down on me so it's no secret how sad I am. When will it stop mama? My heart hurts every minute of the day. I know you was tired and I'm so sorry that I selfishly let you spend 12 days of hell just because I couldn't face the fact of you not being here with me. I gave you every fighting chance until I knew you was just too tired. I hope your spending this time with Stephen. Your boy. You missed him more than words could ever express, I know this.

Are you watching over bry? I sure hope so.

You are my sunshine
Please don't take my su shine away

Your girl

“Mama, it has only been 6 days since i held you in my arms and with all of my love for you in my heart, body and soul, although the words were tremendously hard to say, i begged you to go home to Jesus and the rest of our family that we have both dearly missed since they left earth. That was the hardest, gut wrenching process i have ever endured. I could no longer stand the pain i felt of your suffering. Only 6 days ago, i wrapped you in my arms and it hurts worse everyday. Though i find the only peace in that is that you are with Jesus and are suffering no more. I cant help that im miserable, im doing my best. I just long to wrap my arms around you once more and hear you say, don't do this to yourself baby, i promise it will be ok. I long for that hug as well as those words you have said to me hundreds of times in my life. Watch over Bryce and I mom....please allow me to feel your presence daily. Please God....let me feel her in my heart always. Only 6 days and i feel like its been an eternity. i miss you so terribly bad. I love you more than the world. Your baby girl, steph rae
