“ *My thoughts and prayers are with each of you at this difficult time. Peggy's smile and interest in others will be especially missed when high school classmates gather. I always enjoyed chatting with her and Calvin when we met for lunches and reunions. She inspired me as she continued to deal with health issues in a positive manner. In the days ahead, may you find comfort in your happy memories. .*

“ *I am so sorry for the loss of such a sweet lady. Peggy was a loving person and as beautiful on the inside as she was on the outside. As sad as it is to lose her, we know now that she has received complete healing. No more struggles or pain will she have to face! I am truly sorry for your loss. My prayers are with you all! “ I often had the pleasure of seeing Peggy & Calvin at my Chick-fil-A Drive Thru when they were in town for doctor visits. It was always a joy to be able to go out to the parking lot and visit with them for a few minutes and talk about past memories from the good ol' days. Peggy's smile and warm personality will not ever be forgotten. She was always quick to share a kind word and never seemed to let it show that she was not feeling well.

Though we all will certainly miss her, she finally has her "best seat in the house". Thank you Peggy, for being a great neighbor and great friend for many years. And most of all, thank you for being a role model that we should all follow.

“ *Dear Calvin and Family, my prayers are with you during this most difficult time. I remember when my husband died 16 years ago, you, Calvin came and cut my grass, and Peggy came along with you. She made me a home made chocolate pie. No one saw it in my fridge and that pie lasted me for a week. I ate a piece every day - it was delicious of course! I praise the Lord for her testimony, and please know I will continue to pray for all of you to feel God's comfort and peace.*
