“ I knew Penny only as a fellow blogger and paper crafter, but she poured out beauty in her kind words as well as her wonderful creations. Whenever I left her a nice comment she always came back to say something so appreciative that I felt like the one who had received the compliment.

“ My Aunt Penny was a great happy spirit. I have fond memories of staying at her house and being around her when I was younger. I remember her laugh and her voice the most. Though I had not seen her in quite some time this news hurts. I know losing a loved one is one of the most hardest things we could possibly go through. My heart goes out to my cousins, Uncles, and my grandmother; because there is a peice now missing in their hearts that will never be put back again. ❤️🌹
