“ Papa was an amazing man. A true loving father, husband, grandfather and friend. I was not his daughter but he treated me just like his own. He was the father I needed in my life since I was 19 years old. He did 'Father things' for me, mt dog died, he made him a headstone with his name on it without me asking. That may seem small but for me it was huge! He called me the daughter he didn't have, and treated me as a daughter. My heart is heavy with sadness but I am blessed to have had Papa in my life for so many years. Thank you Papa for letting me be a part of your family and thanks to the family for allowing me to be a part of the family. RIP papa I love you and you will always be close to my heart.
