“ *I feel blessed that I was able to meet Phyllis and her husband Jimmy. Every time I went into her room she would just light up and smile. Her smile brought joy to my heart even if I was having a rough day. Phyllis was such a humble, kind and loving person. I haven't known Phyllis and Jimmy long but they just became like family. I will miss Phyllis and although I couldn't attend the service I again feel blessed that my husband and I were able to be in town and spend a little time with her and Jimmy a few weeks before she went to be with the Lord. I know in my heart that she is joyous in the presence of our Heavenly Father and we will all meet again.*
