“ Jane, I was so sorry to hear of Randall's illness and death. He was a great man and I enjoyed getting to know the two of you. I never heard Randall speak a mean or loud word. He was positive thinking and problem solving. I have wonderful memories of this God loving man. Here is a picture of a wonderful night and I was surprised to hear of another of his talents. Thank you for all of the support and times we shared together. Many are praying for you. Take care.

Randall was a dedicated employee and an excellent work partner. Unlike others, he never shirked his duties and was always willing to help. I only had the opportunity to know him at work, but even so I truly miss him. Don Baker

“ I worked with Randall for the better part of 40 years at Schrader. Randall was always his own person and held to beliefs and opinions strongly. As a skilled draftsman he worked his way up in the company taking on new challenges as the company grew in many new directions. Designing and troubleshooting tooling for myriad jobs and teaching machine operators how to produce quality work was something he never waived from. A true professional. Randall, I know you are at peace now and again reborn. God bless you.

Jane, Cecelia & I send our deepest condolences to you & Dennis. I know that this is a time to grieve but the god Lord will guide you through this sad and trying time.

With Great Sadness,

“ *Jane, I'm so sorry for your loss. Randall will be sorely missed. It will not be the same here (at Schrader). I will never forget that time Randall called us at work the day after he was operated on for that aneurysm. He wanted to tell us how he was doing & see what was going on. He was a strong, honest, dedicated man. You & your family are in my thoughts & prayers.*
