“ To all of Miss Becky's family - I had the privilege of working with your mother and grandmother for the majority of the time she was a resident at Autumn Care. She was an amazing centenarian, with a cute sense of humor and a willingness to take part in all the activities in which we asked her to participate. She was a beautiful soul who epitomized graciousness and charm. I know you all miss her physical presence, but she lives on forever in each of your hearts because you loved her. May God bless her soul and each of you as you honor and celebrate her life and may your memories of her bring you comfort as you mourn her passing.
