“ Sending my sincere sympathies, thoughts and prayers for you as you adjust to such an unexpected loss. I can't imagine what you all are going thru right now. Jeannie was "Jeannie" and anybody that knew her will know what I mean! She was an outgoing, opinionated, genuine soul that will be missed. She was a hard worker that was not easily replaced that brought comedy and smiles with her everywhere she went.

“ I am so sorry for your loss. Jeannie was a special person who will be missed by so many. Jeannie helped me find an item at English's a few years ago and she was easily recognizable as the friendly, helpful youngster I remembered teaching in second grade. Her smile continued to be one that lifted your mood right away.
