“ i was sad to learn of Uncle Rex's passing. He was always a true southern gentleman. I remember spending summers with grandma and granddad. He and Evelyn always took care of me as they were taking care of the grandparents. There is so much to remember and the fun times we all shared as a family. I remember when Susan and Sam joined the family - what wonderful cousins! He will always be remembered and cherished.

It is hard to not be there during this time. Covid-19 has robbed us of being able to congregate and honor the ones we have lost and be comforted by the loved ones around.

My thoughts and prayers are with each and everyone of you. May you find God's peacefulness during this time.
