“ Ricci was a kind soul, full of energy and laughs. He was always ready to lend a helping hand or offer to recycle some of your unwanted treasures. He was very tidy and always smelled so good. He had some tough spots in life, but he managed to find his way along life's path. I will miss his stories, his laugh, his smile and the way he always said "Really" to everything. Rest in peace my friend and my condolences to his family and friends.
