“ Dear Cheryl and Family, I've just heard of Bob's passing and I'm so sorry for your loss. We worked together in the "CarQuest" days and he was so much fun to be around. He was a jokester and always made me laugh. He appreciated life and people. He genuinely cared for people and their needs. Later on, we worked together at the voting polls and even later in life, he was the same Bob.....as unique and kind as they come and he will be greatly missed by his community and all those that new him. My prayers are with you and your family as you deal with life without him.

“ Prayers for the family. I worked with Bob for many years at BGF. We helped each other through some tuff times. There were also many good times. Like playing golf. Bob and I were always teamed up against Bill and Jason. None of us were really good, so the match was very close. We all had a great time. He will be missed.
