Rodney was a legend, an icon of his community of friends and family. He lived life to the fullest and was such a wonderful friend to me and especially to Tael who will miss him -and miss visiting the shop - immensely. Prayers to all of his friends and family as this is a great loss. Janice and Ethan, you are in my heart and my prayers. But I know if he'd had a choice of where to be when his time came, it would have been just where he was: in his shop. Love to you all!
