“ *To all of the family:
My thoughts and prayers are with you all at this time as you all have lost a cornerstone. Roger was such a caring person with a huge heart, he never met a stranger and always made a friend and was the same no matter where he was or whom he was around. He didn't boast about his helpful deeds as it made him happy to be able to help others. He loved his family to the utmost and always wanted everyone to have what they needed. He was one of the hardest working men I have ever known and he didn't mind sharing that with those he came in contact with. Roger your coat hanger smile and caring heart will always be remembered. Cherish your wonderful memories and take care of one another as that is what Roger would want. The entire family is very dear to me and will always be near to my heart.
Love & Prayers,
