Hello Mrs Millet my name is Sharon Renner I was Ronnie's first wife. I had decided with the decision of his 23 year old grandson to try and get a hold of him. We had no luck and this was not a route I wanted to take sadly and surprisingly I found him. I would appreciate it if u would call or text me so we could and maybe u could answer a couple questions. I know I don't have the right to ask any but I still appreciate the curiosity for his first son and 2 grandsons. Thank you 304-362-2356.
