“ Rosa & Harry lived next door to my family on Greenway Lane in Richmond and I babysat for Steve. While I was a Sr. in High School I lived with Rosa in Bon Air (I think it was) and later moved in with her in an apt. She let me stay with her while I finished high school as my folks moved to Atlanta. I continued to live with her after high school, and would have stayed except my sister passed away suddenly and I had to move to Atlanta. Rosa was a wonderful neighbor and friend; I remember her sister and also visiting her Mom. Oddly I ended up in Birmingham, AL, where Harry died. Sure wish we had kept in touch. From her picture, she remained as beautiful as ever. With loving memories, Marilyn Jackson
