“ Jason, Larry Wayne wanted me to comment for the both of us. We are so very sorry for you & the whole family for this tragic loss. We are here for you & will do all we can. Hill said that Roy sure came a long ways from sitting in his lol' truck at that old house out there where you grew up to the man he was the last 15 yrs. or more. That y'all use to get a kick out of that, but he was always a good man & a good friend. From my experience he was always the same. Sweet & good. Always talking about you & Lisa. Then came the grandbabies & they are who he talked about. He loved you all just as much as you loved him. That must be a wonderful feeling. He will be missed. Love you all. RIP Roy Moorefield.....
