“ *Prayers for the family of Kay. I went to school with Kay at Town view / Trotwood , though life took us in different directions I was given the privilege to reconnect with her once when she lived next to my mom on Shiloh Springs Road. I remember her smile not sure she ever was without one. Though we had lost touch town view friends always hold a special place in my heart. If I remember correctly, she was the one that went through her parents front storm door that was all glass.*

“ Wally & I were devastated to hear of Kays passing. She always had a smile on her face and a kind word to say. I know she will be sadly missed but memories of her will keep her in your hearts. We share in your loss but will always remember her smile and her laugh.

“ Kay was a wonderful person who knew how to treat a friend, as a loved one. She was so proud of her family. She was proud to come from a big family and even prouder to have her kids and grand-babies too. Ron was the love of her life and I know she was his too. We will all miss her terribly. Our hearts are broken. We will rejoice in her afterlife, with the Lord, our Savior. God bless you all. Jo
