November 16, 2019 - December 13, 2020

The memory of a loved one can be difficult to cope with during the holiday season. Please join us and Rev. I am so sorry I could not be there in person. I had a performance this morning and I have a rehearsal this evening. I was doing fine with the program until I saw Dad holding Mom's hand in their 50th Wedding Anniversary Picture and I lost it. I did get myself together.

I have nothing but good things to say about Finch and Finch. It took a good deal of time to put this together. It's obvious you care about the communities you service, but more importantly you realize the warmth and needs of the families you are taking care of.

It is awful when we see our loved one for the first time in the casket. We will never see this person again! We fall apart. However, when we get ourselves together, we realize the time and effort you have put in to make this loved one look the very best!!!

I can not say anything but the best about today. I am not surprised you rank in the top percent of Funeral Homes.

Congratulatin on a job well done!!
