*I was so sad to hear that Shirley has passed. I worked with her at Nationwide Insurance for many years. we kept in touch with letters at Christmas time. She was a kind, wonderful person, I always told her that she was my second Mother as mine lived 1000 miles away. I loved her dearly and will never forget her. My thoughts and prayers are with the family. Karen Currier*

It was a pleasure to have known her she was a delightful lady we kept in touch at Christmas time was such a joy to hear from her since our retirement. Jo Martin (Manson NC)

“ I am so saddened to learn the passing of Shirley. I first met her in 1969 when I started my job at Nationwide Ins. in Lynchburg. She trained me and we worked side by side. I was straight out of high school and had to drive some distance to work, which worried my mother. Shirley told me to tell my mother that she would be my mother at work. She was a beautiful, caring person. Even when I moved away from Lynchburg for a few years, we always stayed in touch. My thoughts and prayers are with the entire family
