“ Patsy and Robert, so saddened to hear about your loss of Susan. I have fond memories of her and others from Hurt and Gretna High School especially our fun times at the Dairy Freeze just hanging out. I think that the last time I saw her in person was years ago at the old Leggett Dept store downtown Altavista; she was walking down the steps from the upper level and she was so pretty. I live in Summerville, SC, so I don't get to see old friends often. She was special!
