“ I met Inez at Autumn care a few months ago. Such a special lady who always had a smile on her face when I saw her. In the short time I knew her she was absolutely a special person and knew the Lord. I am so glad I had the privilege to meet this sweet lady and will remember her forever.

“ My meme will be greatly missed. I have so many memories with her. She was able watch my brother and I with Papa Eddie, to attend my high school graduation, my wedding, and meet both my kids. She was one of the greatest of the greatest generation! She is now in heaven with both her husbands and first born son. She will be missed.
