*I came to know Ms. Talmage after she married my Father, she became my Step-Mom, I was a military man like my Dad, I was deployed so I couldn't to available at times, I did share my kindness, love, friendship, joy about many issues, I shared/fellowship the Lord with her, praying or praising, I am/was so proud of her being a Preacher, I found out. The Lord allows us to make choices, we walk many different paths during our lifetime, the straight and narrow path was Ms. Talmage's way, I loved her as a Mom, a friend and someone you could share about How wonderful God and Jesus is, their divine love and patience for us all was a blessing. I miss her, her friendship and remember our little talks we had about many things. May God rest her soul, let her find peace.*

“ I will miss Mrs. Durham and Pepper Jack.  
She would always bring him in to the Animal Medical Centre and request a bath for him.  
She was such a great lady and I will miss her hug she gave me before she left to go home with Pepper Jack.  
Prayers to the family.

“ My brothers, F.E. and Bill, my sister, Cora and I grew up next door to Talmage. She and Nancy were like our big sisters. Because they played piano and sang so beautifully, we, too, wanted to learn to play piano. My sister and I played with their paper dolls long after they outgrew them. Tinnie made us special picnic treats. Robert would take us for ice cream cones. Every child should live next door to a family like the Forlines
