“ So sorry to hear about Tom passing. When I was working with him if I had a problem with my job, I could go to him and we would talk and he would help me work things out. He was a great person that always had a smile and very seldom did I ever see him in a bad mood. It was a privilege to know him.

“ Hey Uncle Tom. We had a ton of good memories, too many to list. One of my earliest memories though was when you taught me how to swim at Ray's Marina. Whenever we got together for the holidays, you were one that I always looked forward to the most to see. And it was that way every year. We are all gonna miss you terribly but we know you are in a better place and with all of our loved ones that passed on as well. There will not be a day that goes by that I don't think of you. Love you Uncle Tom.
