“ Tracy was a woman of amazing strength and grace, who fought a battle inside but always displayed a smile. Tracy was always willing to help anyone especially those she loved and held most dear. She welcomed me into the 'family' with open arms when I moved here 3 years ago without a blink of the eye. It was as if we'd known each other for years. I know she will be watching over us and guiding her grand babies as they grow and her family/friends as we walk through life. You are truly missed my friend I love you so much and my life has been blessed by her love and her friendship. You shall never be forgotten beautiful angel!!

“ Tracy was like a sister to me. She was one of the kindest people I had ever met. Had Tracy and Terry not been there for me 6 years ago, I'm not sure where I'd be right now. She was my voice of reason, my counsel, but most of all, she was my friend and family. I miss her so much. She was always there for me, no matter what. My promise to you is, I will always be there for your family. I love them like they were my own. I will not disappoint you. I love and miss you very much.
