“ Virginia was among the last of great American women who worked hard to raise her family and make a home for her husband and children. She did it well and raised the bar for all those who follow. I knew her to be kind, loving, and generous. She is sorely missed already

“ Our condolence, thoughts and prayers go out to the Coffey family on this sad day. Ginny was the most caring, sweet and thoughtful lady. We had a lot of laughs together when my husband and I had our children in the school band. Ginny was always there if you needed her and she loved her family and grandchildren with all her heart. Ginny will be missed but she leaves behind a lot of fun memories. We know that Mr. T is waiting on his sister and no telling what they will plan for the angles in heaven.
