“ I wanted to take this time to express my condolence to you for the loss of Walter your loved one. I wanted to share a thought with you that comforted me when I lost a family member in death. The man Job in (Job 14:14) asks" If an able-bodied man dies can he live again?". Happily Jesus answers in (John 5:28,29)-" Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life" Well I hope that you will be able to draw some comfort from these scriptural thoughts as I did
