“ Wendy and Cindy

,
I am so sorry about your Mother's passing. I wish I could have been there with you all, but I have good days and bad ones and this was not a good one. Wanda was such a beautiful and classy lady who loved you all so very much. "Back in the day", when she and Larry were first married the four of us would hang out at their house and play cards. When Wayne and I were married, Wanda gave us a Bridal Shower at Fidelity Bank. I use to help Raymond in tobacco and Wanda and I would have a good time talking. She was a strong lady and fought for many years for good health. I know you all are very proud of her. I pray that God gives you strength in the coming days.

All our love,
Wayne and Kenda

“ *CRAFTY...that's how I will always remember Wanda. There wasn't a craft, homemade, food, or even price of furniture at one point she could not make in her own special way.*
