“ Wayne always welcomed me into his home and family which was good since I spent about as much time in the Scruggs' household as Matt and Jessica for a few years. I probably did not appreciate that enough then but I am thankful for that acceptance now. You will most certainly be missed.

“ So very sorry for your loss. Wayne always brought Susan to my office to do their taxes often with a cup of coffee for me. He never complained if it took us several hours to complete the task although he knew most of that time was just girl talk catching up. You will definitely be missed Wayne by many. Love you Susan and family.
