“ *My sincerest condolences to Wayne's Family. Wayne was a friend of mine, I considered him to be a very dear friend. I know he's greatly missed by his family, I miss him tremendously. I miss our meet ups and very long chats, our late night chats, and running into one another at Kroger, or one of our local corner stores. If anyone in the family needs help with anything, please don't hesitate to reach out to me. You can find me on social media. RIP Marine, you are so greatly missed.*
