“ I used to stop by his house quite often after I got off work drink some beers with him. I always enjoyed his company and I knew he enjoyed mine. I loved the stories he used to tell me about when my dad and him were working together driving for Trailways. He was very good friends with my dad, he used to call him Reverend. I knew him most of my life. He loved my kids and would do anything for me if I asked him it was truly a pleasure knowing him. He will be forever missed. Rest in peace my good friend.
