Bill was a great friend to my daddy, Philip Elder. He would help daddy get his old John Deere running, help him fix lawn mowers or just loan him a tool. He was always helping daddy at our family stews every fall. Those acts of kindness will never be forgotten. My thoughts and prayers are with his family.

My dad will be forever in my heart. I am very grateful for the memories I have especially in the last few years. He was a very generous man and kept good friends. His friends were his family.

I want to thank everyone in Lynchburg for being so kind and helpful to me when I was there taking care of everything - Finch & Finch & the Campbell County Sheriff's office and everyone else I really appreciate that.

Brian, you especially will always have a special place in my heart for being there for my dad - he loved you! Thank You!!

Billy & I sat next to each other in G.W. Goodman's Bookeeping class and we both got our first employment working for GSA in Washington, D.C. Later we ran into each other at Chanute A.F.B . I didn't know he made a career of the A.F. We both retired as Master Sergeants. Billy was one of my best friends at William Campbell High School. He was always kind, generous, and caring with a great sense of humor. We shared many laughs together and many good times together in those days. Rest In Peace, Billy, until we see each other again.
