“ Steve, and family so sorry for your loss. The church also has a empty pew where he would sit. Harold was so friendly and had stories that were so funny. He loved his family and they have had a lot of loss in last few years. I can see him now mowing grass on that crazy mower with his shorts and no shirt. That was Harold, not a care in world just getting the job done!! RIP, Harold pleasure knowing you and you will not be forgotten!! Love, patsy and roger Clements
