“ *Bill was such an interesting man. It was always a treat listening to the vast array of facts he knew on any given subject. We will all miss him terribly. I can't imagine the grief you're feeling. Hold him close in your memories and Bill will be with you always.*

“ *Our thoughts and prayers are with you Debra and Terry and Sharon at this sad time.*

Bill was loved by everyone he met because he was so thoughtful and kind to everyone.

He always did his jobs well; was extremely bright, but unassuming and respected by all he met. He will be missed by a multitude of people. Bill was such a good person I feel he will be watching us from above.
