*I see him. In his picture, I see him. I am sorry that he is no longer with you on this Earth for you to hold and love and the loss that is to you. I see him. In his picture, I see him. Not to long ago, we had a cat who had kittens. The kittens were very premature, and I knew there was nothing to do...but, I saw them. I saw them not just a kitten with life, alive; but, I saw them. I heard them meow, their sound into this world. I told them each, I see you. Though their bodies were way to underdeveloped to sustain them long, they made it into this world...and I saw them. I rejoiced that life made it into this world, and if only by me and God, they were seen. I see Wyatt. He made it into this world. I believe he is with His Creator, who saw him and now sees him...in life I see him, abiding in Life.*
